

Trainee Programme for CEE Graduates f|m

The Company

Brenntag (www.brenntag.com) is the world's leading distributor of industrial and speciality chemicals and provides value added services for companies that manufacture and process chemicals. With more than 13.000 employees and 400 locations all over the world, the company achieved sales of 8.7 billion Euros in 2011. For our Central & Eastern European region with companies in 14 countries our intention is to find and develop the driving force for the next decade.

The Programme

Starting September 2013 we are offering a once-in-a-lifetime opportunity to shape Eastern European future with us

Top graduates from Austria, Czech Republic, Hungary, Turkey and Slovakia will be carefully selected to enter a nine months, high-profile trainee-programme.

You will gather practical experience across various departments in your home country and gain intercultural experience during 2 country visits.

You will receive intensive training at the Vienna Headquarters in business theory, personal skills and industry specific topics. You will be challenged to grow both - professionally and personally.

After the Programme

On successful graduation from the Academy, there will be a world of opportunities opening up for you: Starting in the area of either Product Management or Sales in our different industry divisions, you can develop your full potential.

How far you will go is up to you!

Do you have what it takes?

* You have recently graduated in business, economics, natural sciences or techniques (e.g. chemistry, food technology,) Candidates with up to two years of working experience are also welcome

* Along with your excellent academic results you have strong command of English and are a native speaker of at least one language spoken in the mentioned countries

* You are a high-aspiring, determined individual who is eager to contribute to a thriving business in your home country

Will you accept the challenge?
